

Pre-Migration Process for Districts

Requisitions prior to 2017 registered old RR Portal rronline.gov.in and its details available in **DC*Suite** and **Taluk*Suite** can be migrated to New RROnline Portal <http://www.rr.kerala.gov.in> for future reference and process updates.

Migration Plan for DC*Suite / Taluk*Suite:

- 1) Districts should run the scripts according to the instruction file provided by NIC Malappuram to generate 4 tables namely –
 - a) demand<distcode>.sql
 - b) defaulter<distcode>.sql
 - c) demandts<distcode>.sql
 - d) defaulterts<distcode>.sql

eg: demand01.sql, defaulter01.sql, demandts01.sql, defaulterts01.sql

- 2) The tables generated must be uploaded to NIC Kerala State Centre for making it available for migration process in new RROnline Portal <http://www.rr.kerala.gov.in>

NOTICE

1. Requisition Authorities who do not have userid may check [Nodal Officers List](#) link in this page and contact respective nodal officer. If nodal officer details are not found, RA may request Department Head to nominate a state level nodal officer and inform CLR and NIC (irbclrtvm@gmail.com, clrb2clerk@gmail.com, rr.kerala@gov.in).
2. Suggestions/Issues/ Doubts (if any) may be mailed to rr.kerala@gov.in with relevant screen shots & Sender details.

15 YEARS OF CELEBRATING THE MAHATMA

"Cleanliness is next to Godliness"

- 3) Once ported to new system, Taluk Clerk / Special Village Officers can migrate RR data using the menu option **Old Data Management**.

Old Data Migration Module

1) Taluk Clerk / Special Village Officer:

RR Online Portal v.1.0

DASHBOARD

- RR Inbox - received from Collectorate: 12
- RR Inbox - received from JS/DT: 0
- Attachment reports - received from Village: 0
- Return request from RA: 0

Important Note: Prior to further processing of RRC (related to Education Loans), please ensure respective RRC is not Kept in Abeyance.

Note: Before doing RR Collection, please check the Amount Due as on date of payment. (Refer Form 25 for more details). [Circular]

Amount Due as on date of payment = Principal Amount + Interest on Principal Amount (calculated from effective date of interest) + Additional Charges (if any).

Old Data Management

Functionalities provided are listed below:

- Migration of Old RRC
- Migrated RRC
- Migrated and Updated RRC
- Collection
- Remittance
- Migrated RRC Search
- RRC Stay
- Stay Vacate
- RRC Closure
- RRC Return
- Modify Demand
- One Time Settlement (OTS)

a) Old Data Management → Migration of Old RRC

Data received from District Collectorate will be available in this menu for all village in the district. Taluk Clerk/SVO user may select the case to be migrated & click the 'Migrate' button in the top-right corner.

Migration of Old RRC

Note: NIC is not responsible for the correctness of Old RR data received from District Collectorates. Old RR data available for Migration in RR Online Portal was received from District Collectorates. Revenue officials must verify the data before migration process. RR cases having multiple defaulters may have multiple RR numbers which may lead to duplication of amount due (demand) which has to be taken care of.

Village: ***Select desired records and click Migrate button. multiple selection allowed.**

10 records per page Search:

Sl. No.	RRC No date	Amount Due.(Rs)	Name and Address of Defaulter	Reference File No	Requisition Authority	Select
1	2011/94725/1 21/12/2011	433890	Chinnamma M Mother Cottage,East Kariyam Powdikonam.P.O	RR/2011 /10617/1	Chief Manager,Canara Bank,Puthenchanthal Trivandrum Branch	<input type="checkbox"/>
